

Organisational Grants 2022-23

Small Organisational Grants: £2,500 & Under

Small organisational grants are an area of development for the Trust, and we are looking at ways to increase our support to organisations to access this funding.

12 grants were made in 2022-23 totalling £20,480.

Send Coffee CIC

Amounts Awarded	£2,000

Description	Providing a wide range of services and activities for older residents in West Hampstead, ranging from art and exercise to taster therapy sessions.

Umoja Health Forum

Amounts Awarded	£31,165
Description	Develop and conduct an active outreach programme to African and Caribbean communities.

Wac Arts

Amounts Awarded	£20,000
Description	This project offers school holiday activity of a high order, giving children and young people the opportunity to engage in creative activities

	supported by experienced practitioners. It recognises the pressure on low earning parents by offering to extend each day to cover a working day, and builds in bursary support for those who need it. It aims to foster the various talents and interests of participants and provide ways in which these can be further pursued and turned into good habits and regular activity. It tackles challenges from mental health issues, social isolation, and the effects of the pandemic period in interrupted education and limitations imposed on children by economic disadvantage.

Cost of Living Grant Programme

At the beginning of September 2022, we increased our grant budget to support organisations facing an increase in costs or demand for their services due to the increase in the cost of living. We no longer have a separate fund for cost-of-living grants, as this has been incorporated into our regular organisational grants. In 2022-23 £189.874 was awarded through the cost-of-living programme.
